**TERMS & CONDITIONS OF OFFER:** This original certificate, a copy of your valid packing slip, a copy of your valid picture ID, and a copy of both your first and second month bill must be sent to Mpell, postmarked on or before the due date on your second month's bill, to receive your promotion. A U.S. address is required for delivery. By participating in this promotion, recipient releases and holds harmless Mpell and its affiliates from any liability. Products are subject to change without notice by replacement with another product of equal or greater value. This offer is void under the following conditions: Where prohibited, taxed or restricted by law; if the original certificate and requested documentation are not received by the specified date; if the promotion is misrepresented or abused by the Sponsor. Only one of this Mpell certificate is valid per person, household, or phone with data and messaging service plan. Make copies of mailed documentation for your records. Mpell is not responsible for and will not honor damaged, late, lost, incomplete, or illegible mail or postage due requests. For more information go to [www.mPELLsolutions.com/FAQ](http://www.mPELLsolutions.com/FAQ)

**OFFER QUALIFICATIONS:** This promotion is only valid on a "New Activation" and is not valid on contract extensions, upgrades or phone only sales. A New Activation is defined as a new phone and at least a \$59.99 monthly rate plan on a two-year service contract where you are either obtaining a new phone number from the carrier or porting a phone number from a different carrier. The following actions will invalidate this certificate: disconnecting the new line of service, transferring your new equipment to another line of service, changing your service rate plan to a lower monthly service rate, deactivating the email/data feature if one was required at the point of purchase, porting an existing phone number from another account with the same carrier to this new line of service, replacing an existing account with the same carrier you selected with this new line of service. It is permissible for you to port your number from one carrier to another (i.e. Verizon Wireless to AT&T). It is not permissible for you to port your number from an existing account in the same carrier to a new account (i.e. from AT&T to AT&T). After you have redeemed this certificate, if you take an action during your two year service plan that invalidates this certificate, then you will be billed \$50.
